

AMAZON SHIPPING + PROSHIP

Fast and reliable delivery with Amazon Shipping:
Seamless Integration with ProShip

Integrated Amazon Shipping Service

Access Fast and Reliable Delivery with ProShip

In an industry where speed, reliability, and scalability are everything, our partnership with Amazon Shipping gives shippers effortless shipping experiences for orders across ecommerce selling channels. With a technology-driven logistics network built for fast, dependable delivery, Amazon Shipping connects your warehouse to your customers with precision. Their great rates are designed to help you ship more and stress less—so you can focus on growing your business. Backed by a strong track record of innovation and deep logistics expertise, this partnership brings you the tools, tech, and trust you need to delight customers and future-proof your shipping strategy.

Benefits of the Amazon Shipping + ProShip Partnership

- **Seamlessly integrate Amazon Shipping** services into your existing ProShip software.
- **Gain access to Amazon's fast and reliable** logistics network and stay updated on new features.
- **Streamline selling** by using Amazon Shipping for your orders on Amazon, your website, and other online stores.
- **Enhance cost control** with transparent rates and no additional residential surcharges.
- **Expand your shipping capabilities** with pickup and delivery 7 days a week.

Delight Customers with Integrated Amazon Shipping

- **Save on shipping costs** with no weekend delivery fees and a transparent rate card.
- **Keep customers happy** with hassle-free claims and dedicated support.
- **Improve delivery speed and consistency** by utilizing Amazon Shipping's fast and reliable logistics network.
- **Establish trust** with photo delivery and stop-by-stop tracking.
- **Innovate and scale operations** by enabling Amazon's logistics network to work for your business.

How It Works

Sell via your website, Amazon.com, and other channels

Purchase labels and schedule a pickup from your warehouse

Track your packages from your warehouse to your customers

Delight your customers with fast and reliable delivery
