

INTERNATIONAL BRIDGE + PROSHIP

Fast, Reliable, Global Shipping:
Seamless Integration with ProShip

Integrated IB Shipping Solutions

Unlock Innovative E-Commerce Shipping
with ProShip

With e-commerce moving faster than ever, shipping can't slow you down. ProShip's partnership with International Bridge provides high-quality small-parcel shipping services on both international and regional scales to leading e-commerce retailers. By integrating IB's solutions with ProShip's multi-carrier shipping software, businesses can leverage innovative transportation solutions with a commitment to providing customers fast delivery times, affordable costs, and reliable shipping experiences.

savings in transportation
spend

180+ Countries
accessible with affordable
international shipping

25+ Years of experience
in e-commerce shipping
excellence

Benefits of the International Bridge + ProShip Partnership

IB offers two main shipping products:

IB Non-Con:

- Achieve faster delivery with 2-5 day shipping to Hawaii, Alaska, and Puerto Rico.
- Enhance cost control with competitive pricing and lower rates to remote U.S. destinations.
- Expand delivery reach with access to traditionally hard-to-reach locations.

IB SmartAIR:

- Gain access to IB's exclusive air cargo network and smart routing tech.
- Optimize cost and transit times with efficient zone skipping, delivering air speed for the cost of ground.

Simplify International Shipping with Integrated IB Services

- **Build trust** with seamless visibility and network integration.
- **Scale your shipping operations** with efficient access to all parts of the U.S.
- **Improve delivery speed** and boost customer satisfaction with competitive transit times.
- **Ship with confidence** backed by over 25 years of dedicated parcel shipping expertise.
