

A SIMPLE, AFFORDABLE AND RELIABLE STRATEGY
TO GET YOUR CANADIAN SHIPMENTS DELIVERED.

TAKE THE COMPLEXITY OUT OF CANADIAN FINAL MILE DELIVERY WITH PUROLATOR VIA PROSHIP

Delivering your Canadian customers the most reliable and efficient delivery experience.

How it Works

Purolator's cross-border expertise is now seamlessly integrated into ProShip, streamlining your Northbound shipping requests while producing carrier compliant labels and documentation to avoid border delays that slow down your supply chain.

By partnering with ProShip and Purolator, you'll experience the speed, compliance, reliability and support synonymous with the ProShip multi-carrier shipping software while customers experience efficient and reliable delivery anywhere in Canada. From apartment complexes to remote destinations, parcel packages to LTL, Purolator has the best options for your shipments.
