

3PL - LARGE

“An Overall Great Solution That Can Drive Shipping Costs Down”
★★★★★

●●●●● Evaluation & Contracting

●●●●● Service & Support

●●●●● Integration & Deployment

●●●●● Product Capabilities

What do you like the most about the product or service?

The ability to process multi carrier solutions and apply shipping logic the customers ask for to drive down transportation costs.

What do you dislike the most about the product or service?

The wait time for custom logic can be a bit long if you don't plan ahead.

OVERALL

ProShip is an **amazing** multi platform shipping solution that has proven to handle the busiest of volumes while maintaining speed and reliability.
