⬤⬤⬤⬤⬤ **Product Capabilities**

What do you like the most about the product or service?

- Ease of management of carrier selection logic
- Large assortment of domestic and International delivery partners available in base
- Frequent updates to base product adding new capabilities and new delivery partners

What do you dislike the most about the product or service?

We have encountered some challenges with scaling ProShip up to support our entire domestic DC network. Care needs to be taken around infrastructure design and segmentation of transactional volume across instances.

OVERALL

As a product, Proship parcel shipping solution has been extremely valuable for our business.
